FALL 2018

Commodore's Column

Summer is over and fall is here. So soon, but hey, it has been a great year. I remember last year. So much has changed. I have been honored and privileged to be your Commodore the last two years.

There are so many people to thank. The Board members have been fabulous and have done so much. They have made my time as Commodore a treat. We are in a good spot as a result. Thank you to everyone on the Board. You are the best.

I am following a line of Commodores that have taken HCYC to a new level. To be part of a continuous line forward has been such a pleasure - be assured things at the club are good.

The new Board will do amazing things and with our help, the club will do even better and better.

I want to encourage all of the members to get out, get off the dock even more, and enjoy sailing, cruising and our fellowship to the next level. Well done to all!

Club Service Hours

Please be reminded that each member is required to contribute 4 hours of service towards the club each year. There are still some things that need be done before the end of the year to help put our Club House to bed for the winter. This will be a great chance for members to make up their service hours.

We hope our newest members enjoyed a great 2018 season!

What a terrific season over on Toronto Island. So many great memories and some fantastic cruises. A big thank you to the lovely Emily Bidwell, our supremely organized Recipricals Director, without whom these cruises would not be possible! And a heartfelt thank you to everyone who helped out with our events this year starting with the New Year's Levee, Winter Social, opening the season with the sailpast right up to last month's Oktoberfest and Euchre tournament fundraiser!

The last club cruise of year was the "Yawl to the Wall". A great turn out of members and a delicious potluck followed with some Euchre practice for the Big tourney. It is also where baby Ronan got his first HCYC toque! Despite beautiful conditions quite a few members got a case of fomo and water-taxed back to the marina for a few hours to catch the band.

The following weekend was the annual Ocktoberfest and Euchre tournament. We started things off with pork schnitzel and german sausages on a bun, with some delicious stewed onions courtesy of Boater Bob of B Basin. A stellar turnout of Euchre players kept the the tournament going for an intense four hours, and led to a very heated final round with Susan and Andy, taking home first place. Congratulations! Special mention goes to Tracy and Jesse (a.k.a. "T.J. Hooker") who were the only team that remained undefeated until the playoffs. We're definitely looking forward to next year!

Looking back at 2018...

Euchre Tournament

Everyone is either raising their drinks or showing off their trump hand!

PCYC Club Cruise!

It was a journey, but he made it!

We like to make sure everyone gets to be in the picture...
